

EXTRANCE ADMIN™

Empowering Collaboration with Secure Access Control

EXTRANCE ADMIN™ streamlines team management within the EXtrance platform. Designed for organizations of all sizes, it empowers you to grant granular access and permissions, ensuring the right people see the right information while fostering efficient collaboration.

Enhanced Team Management

Organization-Wide Adoption:

EXtrance Admin is a scalable solution that can be utilized by your entire organization, from analysts to fund managers.

Granular Access Control:

Limit access and permissions for individual users or teams. This ensures sensitive data is only accessible to authorized personnel, strengthening data security.

Workflow-Based Permissions:

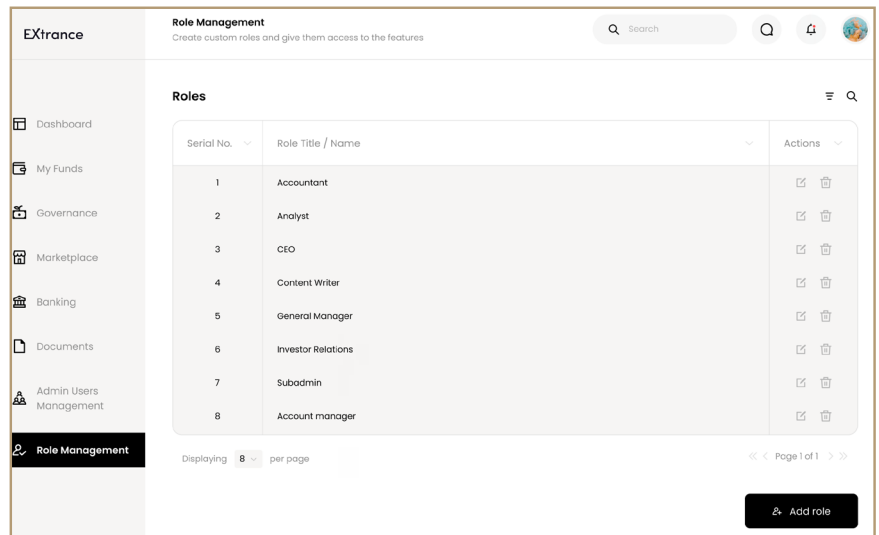

Grant access to specific workflows within the platform. This allows team members to focus on their assigned tasks and reduces the risk of unauthorized actions.

Improved Staff Control:

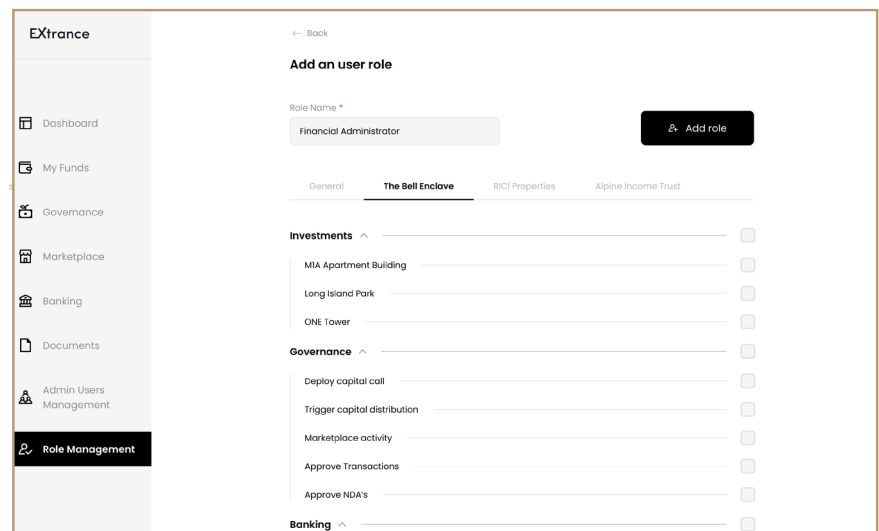

Maintain better control over your staff by assigning specific roles and responsibilities within EXtrance. This promotes accountability and streamlines team workflows.

Clear Responsibility Assignment:

Assign tasks and responsibilities with clarity. EXtrance Admin facilitates ownership and accountability within your team, promoting a well-defined workflow.
