

AI-Powered Data Analysis for Optimized Investment Strategies

EXTRANCE VISION™ is a comprehensive AI and machine learning solution designed to empower investment professionals with unparalleled data analysis. This powerful platform unlocks hidden insights within your data, enabling you to make data-driven decisions and optimize your investment strategies.

Key Features

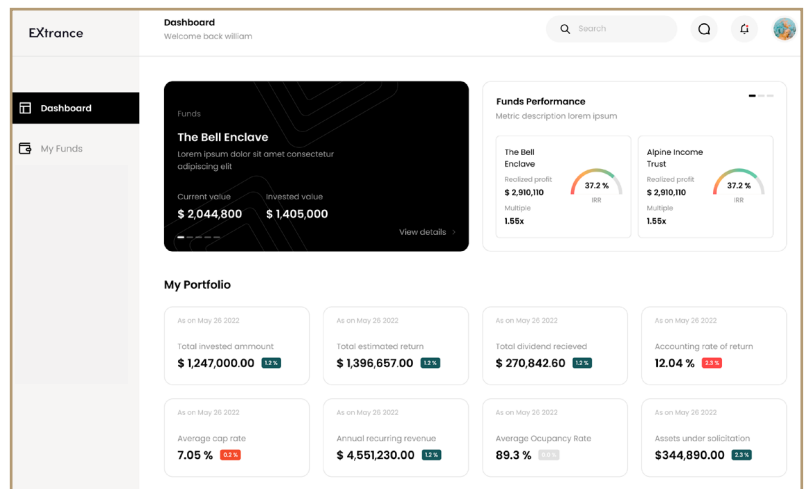

Automated Data Ingestion: Say goodbye to tedious data entry. EXtrance Vision seamlessly ingests data at high speeds, eliminating manual processes and ensuring data accuracy.

Portfolio Roll-Ups: Gain a holistic view of your entire portfolio with automated portfolio roll-ups. This feature simplifies data analysis and streamlines performance tracking.

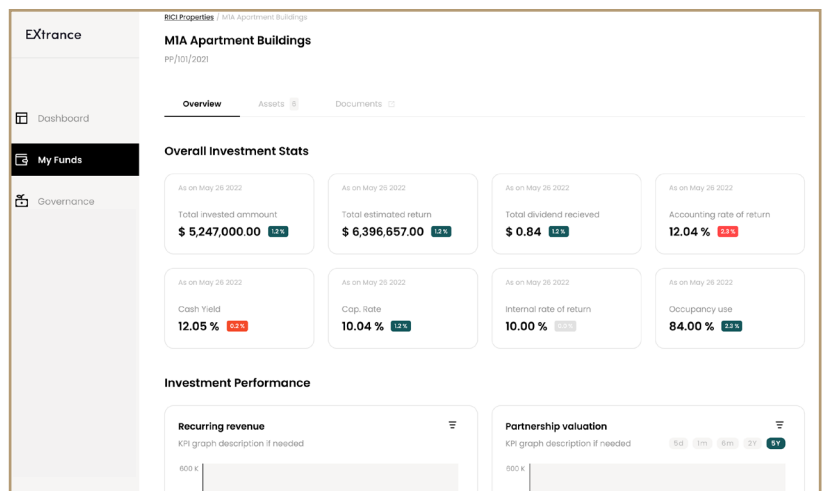

Granular KPI Analysis: Dive deep into unique key performance indicators (KPIs) for each investment, fund, and asset class. Identify trends, measure performance, and uncover hidden opportunities.

Advanced Machine Learning: Leverage the power of machine learning algorithms to uncover complex patterns and relationships within your data.

Predictive Analytics: Gain a glimpse into the future with predictive analytics. EXtrance Vision helps you anticipate potential risks and opportunities, allowing you to make proactive investment decisions.

A single source of truth for your entire institution

With custom integrations to your raw data feed, see real time KPIs at every level

Benefits

Enhanced decision making: Ground your investment choices in data-driven insights, not intuition.

Improved portfolio performance: Identify undervalued assets and optimize allocations for maximum returns.

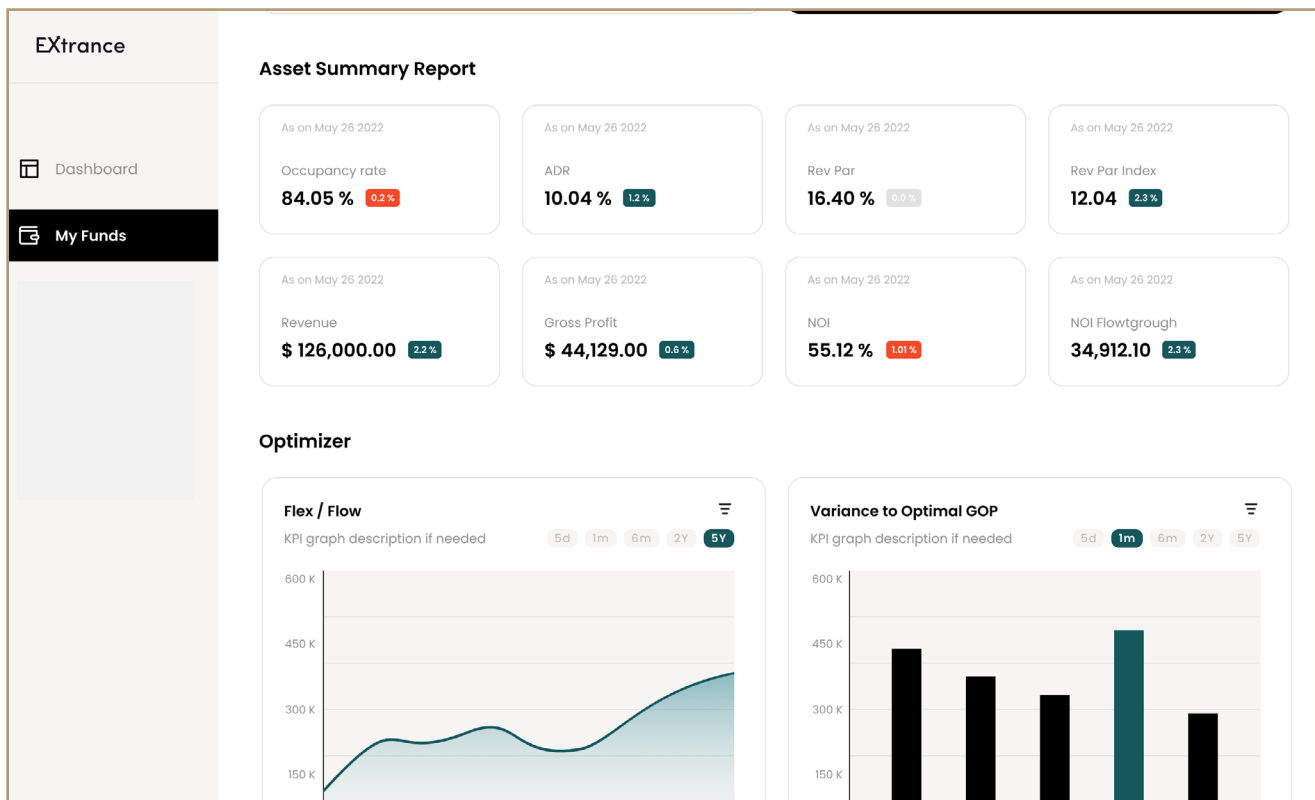

Reduced risk: Proactively identify and mitigate potential risks before they impact your portfolio.

Increased efficiency: Automate time-consuming data tasks and free up valuable resources for strategic analysis.

Competitive advantage: Gain an edge in the market by leveraging AI-powered insights unavailable to competitors.

EXTRANCE VISION™: The Future of Data-Driven Investing

In today's data-rich investment landscape, Extrance Vision empowers you to unlock the true potential of your data. By harnessing the power of AI and machine learning, you can gain a deeper understanding of your portfolio, make smarter investment decisions, and achieve superior returns.

Customizable dashboard ensures what's important to you is easy to view

AN EXTRANCE PARTNERED ORGANIZATION IS HIGHLY PRIORITIZED.

By utilizing more than 40% of our solution, you'll become a preferred investment offering at major financial institutions.

Advisors and wealth management teams love providing their customers funds and investments that offer simple liquidity solutions, the ultimate security, and proper transparency. This gives the fund manager access to EXtrance's product offerings, reducing expenses, increasing profits, and providing a competitive advantage that only AI, ML and blockchain provides.
